United Way  
of East Central Iowa

At United Way of East Central Iowa (UWECI), we appreciate every partnership, collaboration, gift of service, and financial commitment that is given in support of our community. Your support as a valued partner is vital toward advancing our mission of uniting the power of communities to create solutions that improve people's lives.

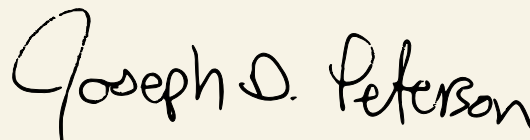

We strive to create an equitable Eastern Iowa for all by growing in our Unite to Inspire focus areas in building economic mobility, fostering childhood success, improving access to healthcare, and supporting safety net services. Through collaborations with community champions, we continue to ask for your support for upcoming events and programs. United Way of East Central Iowa does not use our donors' charitable contributions to pay for our events or outreach activities and relies solely on corporate sponsorships to bring donors, advocates, and volunteers together to mobilize their caring power to improve the lives of those in our service area.

If you are interested in supporting us through sponsorship dollars, please contact Angelica Vannatta for Community Impact at **319-398-5372 ext. 822** or Joe Peterson for Campaign at **319-398-5372 ext. 818** or email [sponsorship@uweci.org](mailto:sponsorship@uweci.org).

United, we continue to move forward with determination and purpose to strengthen our community as we create a more sustainable, equitable Eastern Iowa for years to come. Thank you for your consideration and generosity!
